Box I Obse	ervations where certain claims were found unsearchable (Continuation of item 1 of first sheet)
This Internation	nal Search Report has not been established in respect of certain claims under Article 17(2)(a) for the following reasons:
1. X Claims becau	is Nos.: $14-36$ use they relate to subject matter not required to be searched by this Authority, namely:
huma	hough claims 14-36 are directed to a method of treatment of the an/animal body, the search has been carried out and based on the alleged ects of the compound/composition.
becau:	s Nos.: use they relate to parts of the International Application that do not comply with the prescribed requirements to such tent that no meaningful International Search can be carried out, specifically:
	s Nos.: use they are dependent claims and are not drafted in accordance with the second and third sentences of Rule 6.4(a).
Box II Obse	ervations where unity of invention is lacking (Continuation of item 2 of first sheet)
This Internation	nal Searching Authority found multiple inventions in this international application, as follows:
1. As all search	required additional search fees were timely paid by the applicant, this International Search Report covers all hable claims.
2. As all of any	searchable claims could be searched without effort justifying an additional fee, this Authority did not invite payment additional fee.
	ly some of the required additional search fees were timely paid by the applicant, this International Search Report sonly those claims for which fees were paid, specifically claims Nos.:
4. No rec restrict	quired additional search fees were timely paid by the applicant. Consequently, this International Search Report is ted to the invention first mentioned in the claims; it is covered by claims Nos.:
Remark on Pro	— The diametrial couldn't look work absormanticably the approant of protest
	No protest accompanied the payment of additional search fees.
